

# Stampede 2011

The Exchange Club thanks you for your time and support! Without your help this event is not possible! You may be working in either the food or beer booth. You should be signed up for one of the booths already, but sometimes you may need to be moved to the other booth. Please check in with the booth coordinator, they will have you sign in and assign you a job. Wear comfortable clothes and **shoes**. There are few chances to sit and you will be on your feet for most of the time.

**Concert** report times are generally 6:30 PM, **Rodeo** report times, during the week are 6:00 PM and 12:00 PM for weekends. If you have a conflict and can not make it to an event or have to leave early, please call the person who recruited you. **We are counting on you for this shift.** We will provide you with two tickets that can be used for food and drink at our booth.

The Exchange Club food and beer booth are located under the north stands. It is a large booth with many tables surrounding it.

There is plenty of parking surrounding the park. Most of it is pay parking with a range of \$5-\$10

Free Parking is available in the CDOT parking lot on the corner of 2nd St and 14th Ave. From the parking lot it is about 5 minutes walk. There is plenty of security around this area.
